Office Memorandum • UNITED STATES GOVERNMENT

TO : Director of Logistics

DATE: 18 September 1958

FROM : Chief, Real Estate and Construction Division

SUBJECT: Request for Air Conditioner

25X1A6c

REFERENCE: Dispatch Number [REDACTED] from Communicator, [REDACTED] to Chief,
25X1A2d1 [REDACTED] dated 22 August 1958, same subject.

25X1A6a

25X1A6a 1. Reference dispatch requests authority for the installation of air conditioning equipment to accommodate the communications operating room at [REDACTED] Station.

25X1A6a 2. The presence of the heat producing electronic equipment cited in reference will make this space untenable unless air conditioning is provided. Accordingly, it is recommended that authority be granted for headquarters procurement of a 1-HP window air conditioner for shipment to [REDACTED] Station. Estimated purchase cost is \$200.

3. Approval is consistent with criteria cited under paragraph
